

LUKA ĐURIĆ

Front-end Developer & Graphics Designer

Profile

Ja sam Luka Đurić, student master studija na Fakultetu informacionih tehnologija. Strastveno sam da kreiram veb stranice i moj san je da napravim svoj prvi program i igru. U poslednje vreme sam se posvetio učenju španskog, jer smatram da je poznavanje jezika ključno za komunikaciju i razumevanje različitih kultura.
